A few words from our President:

Fall is here, there is no mistaking it. The trees are beautiful, blazing with color and the first frost has hit my pumpkin patch – all three of my green pumpkins! Where am I going with this? The OCTOBER dance of course!

We are encouraging those of you that have ghoulish Halloween humor to join us in a costume contest – you will have an opportunity to win a spook-tacular prize. Those of you that choose not to dress up, we hope you will still come out and brave the ghosts and goblins by dancing the night away.

Special Christmas Dance – Mark you calendars for Friday, December 10th. We will have a live band “The Hit Men” so plan on dancing from seven to eleven. There will be plenty of yummy hors d’oeuvres to keep the energy flowing.

NEW FRIDAY for our USA Dances – Starting in 2011 the dances will still be held at the Sports Zone, but will now be the 2nd Friday of each month with exceptions of June and August. (Please see schedule inside for details). Please share this new schedule with those that may not have email access.

I have asked for your consideration in the past, regarding volunteering your time and talents to help the chapter function. I previously mentioned that some of our current board members would not be returning to the board in 2011. Did I mention that I am paying large sums of money for the first four people that volunteer to help in some way? I’m just kidding about the money, but I’m NOT kidding about asking for your involvement. Let’s talk!

See you at the Spook-tacular October dance.

Polly Boman, President
